## RECORD

**STIPULATIONS**

The stipulations as specifically set forth in the Award of the Administrative Law Judge are herein adopted by the Appeals Board.

**ISSUES**

What is the nature and extent of claimant's injury and/or disability, if any?

**FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Having reviewed the entire evidentiary record including the stipulations of the parties, the Appeals Board finds as follows:

The Award of the Administrative Law Judge specifically sets out the findings of fact and conclusions of law in detail and it is not necessary to repeat same herein. The Appeals Board agrees that claimant has proven his entitlement to a functional impairment resulting from an injury May 17, 1993 through June 28, 1993 while employed with respondent.

Having reviewed the entire record, the Appeals Board finds the findings and conclusions enumerated in the Award of the Administrative Law Judge are accurate and appropriate and, as such, claimant is entitled to a thirteen percent (13%) permanent partial general body disability as a result of the injuries suffered while employed with respondent. The Appeals Board further adopts the analysis of the Administrative Law Judge regarding the nature and extent of claimant's injury and disability.

**AWARD**

**WHEREFORE**, it is the finding, decision, and order of the Appeals Board that the Award of Administrative Law Judge John D. Clark dated January 19, 1995, should be, and hereby is, affirmed in all respects and the orders contained in said Award are herein adopted by the Appeals Board as its own.
